

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ADJUSTMENT OF RATES OF THE SOUTH
SHORE WATER WORKS COMPANY

) CASE NO.
) 94-188

O R D E R

On March 8, 1995, the Commission established new service rates for South Shore Water Works Company ("South Shore"). In its Order, the Commission directed South Shore to place \$8,848 of its annual revenues, or \$737.33 monthly, into a restricted account and to make disbursements from this account for well cleaning expenses only. It further ordered South Shores to submit semi-annual reports on disbursements from this restricted account. South Shore now requests relief from these restrictions.

Considering South Shore's request as a motion for relief from the Order of March 8, 1995, the Commission finds that the motion should be granted. South Shore has complied with the reporting requirements and restrictions in a timely manner. With the passage of time, moreover, the need for these restrictions has diminished.

IT IS THEREFORE ORDERED that:

1. South Shore's motion for relief is granted.
2. Effective the date of this Order, South Shore is no longer required to comply with Paragraph 7 of the Settlement Agreement.

Done at Frankfort, Kentucky, this 1st day of April 1, 1997.
